Holy Redeemer retinal surgeon has an eye for art

At Holy Redeemer Hospital and Medical Center, Dr. Dick Goldberg was a respected retinal surgeon, retired from his position as director of retinal services. But to the outside world, Dr. Goldberg has an eye for art, known for creating spiritual landscapes and ethereal abstracts. His artistic creations were displayed over the summer at the Philip and Muriel Berman Museum of Art at Ursinus College in Collegeville.

The Sisters of the Holy Redeemer attended the exhibit. From left to right are **Dr. Dick Goldberg**, **Sr. Sophia Galm**, **Sr. Ana Dura**, **Sr. Mary Anne McDonagh**, and **Donald C. Meyer**, vice president of the Philadelphia Sketch Club.

“Waiting” by Dr. Dick Goldberg.
