HOLY REDEEMER

Holy Redeemer is a horizontally diversified, innovative, faith based, not-for-profit progressive health system. The system is comprised of the Holy Redeemer Hospital, a 242 bed, non-for-profit community hospital, a free standing surgery center, seven ambulatory/outpatient diagnostic and provider sites, a Life Care division with multiple locations providing independent living, long term care, sub acute care and dementia care, and a home health and hospice division covering southeastern Pennsylvania and New Jersey. In addition, Holy Redeemer sponsors a primary care clinically integrated network and jointly owns an Accountable Care Organization.

ABOUT OUR AREA

Holy Redeemer Health System is located in Northeast Philadelphia, Montgomery County and Bucks County PA. Our sites are minutes from tranquil outdoor recreation areas like Lorimer and Pennypack parks and a short drive or train ride to the cultural and sports attractions of Philadelphia. You'll find nationally acclaimed golf courses and clubs, historical villages with fine eateries, art galleries and shops, museums, one-stop shopping centers, gyms and plenty of family-friendly locations. From trampoline parks to a 90-year-old theater, our area offers big city availability with a close-knit community feel.
